MAN KUNG

ARCHERY & CROSSBOW

Established in 1988, the Man Kung Company is dedicated to the design and manufacture of a wide range of crossbows, knives and related products.

Man Kung is specialized in crossbow, archery bow, toy archery, slingshot, blowgun, baton, and other bow accessories.

We have always been dedicated to the research and development of new products to meet current market demands.

Man Kung's outstanding quality has won us a high reputation from both domestic and international customers.

Man Kung's permanent makeup supply has obtained diverse certifications, welcome to contact them for more permanent makeup supply specifications.

OEM or ODM orders are welcome and Man Kung would be your best partner in the future.

January 01,2021

RELIABILITY DURABILITY

Man kung is proud to continue to develop the most powerful and durable crossbow. Our compound bows have been tested many times and have high quality in durability.

We have professional team of designers make the innovative thoughts happen and the qualified technology present, and it all serves as our glory and mission.

Our new product in 2021 will provide a lighter and simpler appearance and faster-shooting speed so that users can have a better shooting experience.

Quality

Major principles:

Our products are of the best quality, we set the highest standards for ourselves.
We encourage our employees who set the goal of improving the quality of their work.
We respect any opinions on the quality of our products.

MARKETING AREA

Man Kung's products have already been sold to many different countries. We have created a well-known brand image and provided the best service and various product choices to all customers around the world.

SLINGSHOTS

MK-SL06

MK-SL06 is specially designed for sports and entertainment shooting. It is made of high-quality materials and has an improved design to fully enjoy the fun of shooting.

The ergonomic handle is equipped with a wrist stop, which allows you to hold the slingshot more smoothly for aiming.

The bullet launching with a handle mechanism can shoot quickly and comfortably.

MK-SL06/BL ■ BLUE

MK-SL06/O ■ ORANGE

MK-SL06/BK ■ BLACK

STEEL AMMO

Steel balls with a diameter of 10 mm are used when shooting from slingshots. In one package 30 balls.

30 PCS/CARD

MK-TA  METAL AMMO

RUBBER BAND

This is a replacement rubber band for high velocity slingshots. This band is made to give you the distance and speed to hit those targets a long ways out.

MK-TR-BL  BLUE

MK-TR-Y  YELLOW

MK-TR-O  ORANGE

MK-SL08

The MK-SL08 slingshot has a very comfortable grip shell and a hollow pistol grip. The ball used for shooting is poured into the handle.

MK-SL08/BL

 BLUE

SURE GRIP HANDLE
GENUINE LEATHER POUCH
ADJUSTABLE YOKE

BATONS

Our self-protection batons are the first-rate.

You will feel at ease carrying one of our batons for self-protection.

Baton is a heavy grade, hard steel.

They sling out with perfection every time, so they will be there when they are needed.
